Food vendors are encouraged to stay open later. These are minimum times for all vendors – stay open later if you wish on Saturday.

All **Vendors** will be assigned a location in the field and will be expected to set up on Friday, September 11th, from 3:30 pm – 8:30 pm or, at the latest, by 8:30 am on Saturday, September 12th. You will be required to provide a tent, table, chairs and any other items needed for your display.

Set-up: Friday Sept 11th between 3:30pm – 8:30pm or Saturday Sept 12th by 8:30am
Take down: Sunday, September 13th at 2:30pm.

We ask for all dimensions from **Food Vendors** so that we can plan our layout. Please detail your set up in the "Special Notes for Organizers" section above. Also, if you have any other special request, such as to set up beside someone, please also let us know in advance. We may not be able to accommodate all requests but will do our best.

Power hook ups are available for food vendors only. Aside from food vendors, generators are not allowed on site. No lighting is provided, as such vending typically does not happen past dark during the event. The event does have **Security on site**; however it is expected that vendors will monitor and secure their belongings.

All Vendors must stay set-up for both days. Saturday, 9:00 am to 6:00 pm and Sunday, 9:00 am to 2:00 pm.
